

CREATING DROPBOX LINKS FOR SHARING

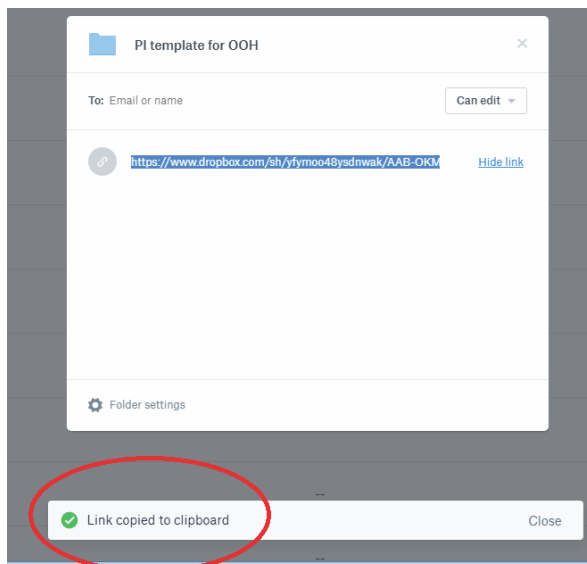

In your Dropbox list, hover over the ... and a **Share** button will appear. You can share either files or folders this way.

Click on **Share**, and then on **Create a link**, and then on **Copy link**. There's no need to add an email or name.

The link will be highlighted and copied to the clipboard.

Paste the link into the body of your email and it can be shared with anyone.
